# 1) Competition format

The competition includes 3 separate tournaments which take place in the same location.

- Roller Soccer Tournament - Saturday, April 13th ;
- Rollerball Basketball Tournament - Saturday, April 13th ;
- RollBall Tournament - Sunday, April 14;

These 3 tournaments are played simultaneously.

# 2) Stadium and field

1 Venue hosting the competition is located at 30 rue Amédée Huon, 94200 Ivry-sur-Seine, France in the Gosnat complex. For this occasion, we have the Halle Venise Gosnat at our disposal.

On the first day the hall will be composed of 2 fields:

- Field Left Basketball: 30mx17m (28mx15m + 1 meter after the lines delimiting the field)
- Right Roller Soccer field: 30mx15m with side protection.

On the second day the hall will contain only 1 field

- RollBall field: 42mx22m (40mx20m + 1m after the lines delimiting the field)

Each field will have its own scoreboard where scores, scorers, passers and man of the match will be recorded.

A table of the organization will be held throughout the entire organization by the members of the US Ivry Roller / French RollBall Federation. The organization table has the tournament's reference clock.

# 3) Winner of the competition

The winner of the competition is chosen according to a point system assigned to each tournament.

Ranking in a tournament	Amount of points
1st	12
2nd	8
3rd	5
4th	3
5th	2
6th	1

The final ranking is established by adding the points of each team in each of the tournaments. The one with the highest number of points is the winner.

In case of a tie between N teams, here are the criteria for ranking the teams in order:

1. Best final ranking in tournaments (2 teams tied can be separated if one has done as best result 2nd, and the other 3rd)
2. Number of best final rankings in tournaments
3. Opposition in the different sports (excluding point differences)
4. Perfect equality / random draw

As soon as a team is ranked better than the teams with which it was tied, the criteria are repeated from the first by removing the team that was previously ranked highest.

## 4) Match procedure

The referent scoreboard, the designated referee, the 2 teams present themselves 2 minutes before the start of the match.

At the reference time a picture of the two teams aligned with the referee in the centre is taken by the referent scoreboard.

A draw is made by the referee in the presence of the two captains. The winner decides the field. (In the case of Roller Soccer, the loser chooses whether or not to take the ball).

The match must start no later than two minutes after the match reference time.

2 The match is composed of two 10 minutes periods (or 15 minutes if 4 teams) interspersed with a 2 minutes break, regardless of the sport.

At the end of the match, the captain of each team designates the best player of the other team to the scoreboard referent. The referent scoreboard then indicates the final score and the winner to the teams and then declares it to the organization.

There is no stoppage of play or additional time. The time may only be interrupted by the organization at the request of the arbitrator.

In the event of a draw in the pool, the teams are not separated.

In the event of a draw in the final, the teams will split with an extra 5 minutes, then in sudden death if still tied.

## 5) Tournaments

### 5.1) Overall description

The tournaments are exactly the same in all sports:

- Single pool if 6 → teams final ranking is taken on the pool's final ranking.
- Single pool + Final between the first 2 of the pool if 4 or 5 teams → 1<sup>st</sup> and 2<sup>nd</sup> depending on the result of the final, ranking of the pool for the other places.

In the group phase, a win brings 3 points, a draw brings 1 point, a defeat 0.

In the pool phase, teams are ranked according to the following criteria:

- Number of points
- Point difference
- Direct Opposition
- Number of wins
- Number of points scored
- Perfect equality / draw

### 5.2) Draw

The draw for the competition will take place on April 11, 2019 in Ivry-sur-Seine at 8pm. It will be filmed with Facebook Live broadcast on the Facebook event of the competition.

Two draws will take place:

Team B	??	Team B	??
Team C	??	Team C	??
Team D	??	Team D	??
Team E	??	Team E	??
Team F	??	Team F	??

Teams E & F will be drawn if there is enough registration.

## 6) Teams

### 6.1) Number of players

Teams must consist of at least 6 players and a maximum of 12 players. There is no distinction between men and women, and the tournament organisation must be informed at least before 1<sup>st</sup> of April if a player under 14 wishes to register or risk to be refused to participate.

### 6.2) Dress up

Each team must have a match outfit, and if possible a second outfit if it is too close. Each player must be identifiable by a jersey number.

### 6.3) Equipments

Roller skates and protections are not provided by the organization. We hope to be able to set up a "technical" stand for parts repairs during the competition.

The mandatory protections are those imposed by the different disciplines.

RollBall: Helmet (bicycle helmet, hockey helmet - without the grid or window - or freestyle rollerblading allowed)

Roller Soccer: Shin guards

Roller Basket: N/A

However, a maximum of protection is strongly recommended and accepted:

Wrist guards, elbow pad, knee pad, crash pad.

Helmets are mandatory for all competitions for players under 18 years of age on the day of the competition.

### 6.4) Role and responsibility

Each team must have:

- A captain (preferably English-speaking),
- Two referees leader minimum.
- Two score table referents minimum.

[rollballfrance@gmail.com](mailto:rollballfrance@gmail.com)

+ 33 6 12 62 15 23

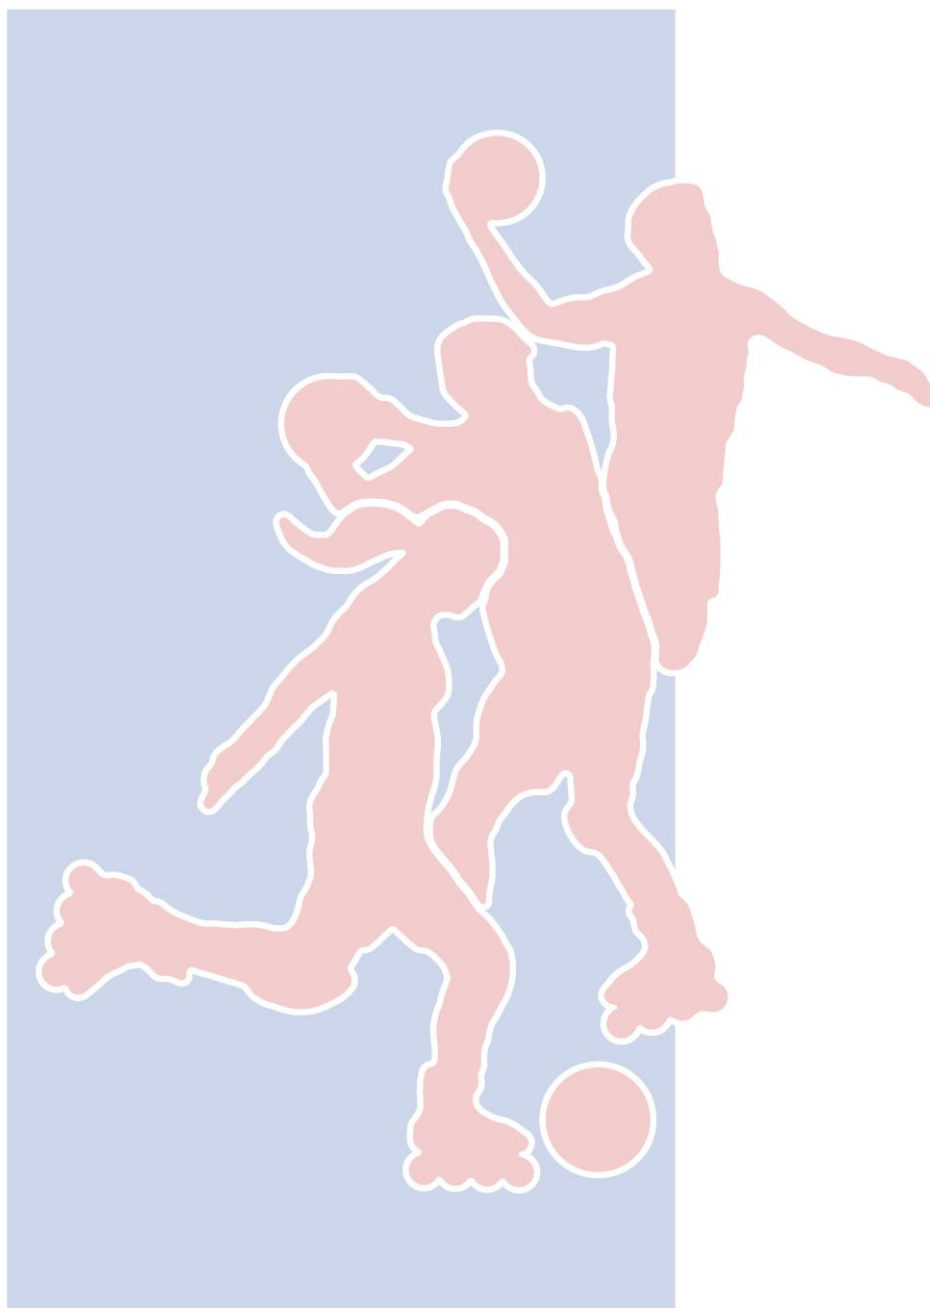

The captain can also be a referent. It is not possible to be a score table and referee leader.

The captain is the only one who can interact with the referee during a game.

The two refereeing representatives are required to referee the matches where their team is appointed to referee. The two scoreboard referents are required to hold the scoreboard during matches where his team is designated to referee.

The name of the referee / scoreboard referent of a match must be known at least 30 minutes before the start of the match by mentioning it at the organising table.
